Re: Bill No. Z-74-01-09
Rezoning from R3 to B1A

Gentlemen and Mrs. Schmidt:

The attached ordinance was originally forwarded to Council on September 26, 1975 with a DO NOT PASS recommendation. Council deferred action pending possible revisions in the City Zoning Ordinance which would allow home occupation beauty shops. Council requested that we contact the petitioner Mrs. Mary Johnson, and inform her of this action and how she could apply for a home occupation.

As you can see by the attached letter we contacted Mrs. Johnson but did not receive a response. We are therefore returning the ordinance to Council with our original DO NOT PASS recommendation.

Sincerely,

DIVISION OF LONG RANGE PLANNING & ZONING

Dear Ms. Johnson:

We are presently holding a rezoning requested submitted by you on December 27, 1973. The City Plan Commission, subsequently deferred action on this request pending a possible revision of the City Zoning Ordinance which would allow home occupation beauty shops.

The City Plan Commission has recently passed an ordinance which allows beauty shops, which meet the criteria of a home occupation in any zone, following approval of the Board of Zoning Appeals.

We would appreciate hearing from you at your earliest convenience in order that we may process your application for a beauty shop and void the request we now have on file.

Gentlemen and Mrs. Schmidt:

Attached hereto is a copy of a resolution pertaining to one (1) zoning ordinance amendment acted upon by the City Plan Commission. In addition to the reasons outlined in the resolution, the following are additional remarks pertaining to the ordinance involved.

1. Bill No. Z-74-01-09

2. Intended Use: Beauty Shop

3. From: "R3" to "B1A"

4. Plan Commission Recommendation: DO NOT PASS

This ordinance received a DO NOT PASS recommendation for the following reasons:

a. The "B1A" zoning classification is not compatible with the present zoning or uses in the immediate area.

b. Traffic and street capacity is a primary object of concern. The present width of improvement on Woodland is 24' with parking on both sides. There is no apparent way to provide off-street parking without derolition of residential structures.

c. At the present time, the petitioners can now apply thru the Board of Zoning Appeals for a beauty shop in the home as home occupation.

If there are any questions with regard to this ordinance, please feel free to call on us.
